THE FIRST COMPANY IN THE CERAMIC INDUSTRY WITH **3-STAR EXPORT HOUSE**

900+ CHANNEL PARTNERS

INVESTMENTS IN **RENEWABLE ENERGY**

Acing interiors by Enhancing spaces!

Fulfilling an array of myriad construction requirements, Sunhearrt crafts high-end products with a keen focus on delivering the best. Prioritising customer satisfaction, we create products that are unique, sustainable, durable, in addition to

being easy to install, maintain, bacteria protected, as well as resistant to fire, heat, and chemicals; making them a preferred choice for designing any space that speaks opulence.

Tiles

Flooring the extensions of your dream space, tiles from Sunhearrt are a great addition to every ambience. With their simplistic elegance and finesse, our tiles introduce modernity and grandeur by manufacturing the best alternatives and replacements to natural surfaces. This collection, thence, is the perfect choice for 'architecting' the spectacular!

DESIGN INSPIRATION

Sculpted with dynamism, the depth of the tiled textures, earnestly, resembles nature in its truest form. From the boldness of the expanses, and the hues of the desert, to the earthiness of the experiences; all reflect the brilliance of these architectural surfaces. For even in design, the carvings and undulations capture the essence of the Earth's movements.

That is to say that creating nature and humans move in unison to innovate, the creation is an astonishing range of forms and shapes for the sole; as there is no limit to the adaptability of the clay and the creativity of humankind. Working with technology in the tow, we create dreamy surfaces that defy time and stand tall, naturally!

Our collection's architectural surfaces are dimensional, fresh, and infinite; giving them a timeless appeal. Here, each and every piece resonates with perfection, and reflects artistry; only to achieve an unparalleled magnificence of the extraordinary. Its minimalist yet traditional design aesthetics is the birth of art that finds its semblance in its nature.

NEW ARRIVAL

The Neolith Collection: Discover the canvas that engages tactile senses through the rich tapestry of color and texture, where the art becomes visible in every line, pattern, and mostly the surface.

NEOLITH COLLECTION
80x160cm - 9mm THICKNESS

NEOLITH

These tiles, right from their production process to their manufacturing; use high-end technology and adhere to the highest standards of quality making them beautiful, robust, and durable. These marble surfaces are created to give an edge to your spaces, establishing visual marvels in full-body and in myriad yet convenient sizes that combine efficiency with luxury and style!

INSPIRATIONAL DESIGNS

New compositional full-body solutions with fragments of minerals engineered to create nature-like texture and amazing designs in impressive colors and unimaginable patterns.

RESILIENT COMPOSITION

The avant-garde processes enable features like zero-porosity, chemical resistance, and high tensile strength that resist breakage.

REMARKABLE DURABILITY

Surfaces with maximum durability that are highly resistant to wear and great for high-traffic environments also add elegance that can last for decades.

SUPERIOR TECHNOLOGY

State-of-the-art technology forays with new ideas and shapes to be executed in tangible realities, providing complete creative freedom.

SIZE & THICKNESS

INFINITE FUNCTIONALITY; MULTIFARIOUS OPTIONS!

These marble architectural surfaces offer an extensive range of sizes, finishes, designs, and much more. Understanding the need for resilience and strength, these surfaces boast a full-body thickness that makes them extra durable and sturdy, and also offer the possibility of various edge profiles lending an aesthetic grace to the ambiance.

VERSATILE SIZE

The sizes are the perfect blend of statement presence and a flawless balance of shapes that create interesting patterns and establish new aesthetic canons.

SEAMLESS APPEAL

Due to the extensive sizes, the soft lines brush against each other without colliding or disturbing the design with unflattering grout lines, giving a pleasing seamless impression.

MULTIPLE APPLICATIONS

Surfaces that emulate the most coveted natural stone open the doors to the imagination with versatile application possibilities for your spaces, furnishings, and more.

TACTILE EXPERIENCE

These modern tiles with a luxurious look are one of the best choices that provide a contemporary effect to your flooring that enhances your spaces with its dramatic effect.

FINISHES

A vivid amalgamation of technology and art, the Neolith collection brings subtlety of textures with a hint of nature's elements into one's chosen spaces. It flows with graceful finishes that integrate well and add an edge to the ambiance.

Conceptual, vibrant, and sculptural, the Neolith Collection flaunts full-body finishes that include Dune Carved, the delicate Rain Feather, the sensual Honey Ripple, and the subtle Smooth Ripple. These endlessly adaptable surfaces have an enduring medium that creates a beautiful combination of patterns, shades, and textures.

ADVANTAGES & FEATURES

The Neolith Collection is one of the premium and multipurpose tile collections by Sunhearrt. With its outstanding size and manifold uses, it is a perfectly stylish solution for a functional yet trendy look. Added to its dazzling designs and lavish appearance, it boasts some unique features that make it a premium product for those who want nothing but the best!

Strength + Style

It is supremely versatile, and seamless with its full-bodied thickness; making them extra durable and sturdy.

Safe + Secure

Non-porous, hygienic, stain and scratch protected, the tiles from this collection are also ice and thermal shock-resistant.

Highly Sustainable

The collection is made from exceptionally durable and recyclable material, giving it an edge with its ecological and eco-friendliness.

A design that has evolved over time with more durability and style, the Neolith Collection comes with unique features like durability, strength, resilience, easy-to-clean, zero-maintain, slip-resistant, and can withstand severe weather conditions and heavy footfall. Crafted with the best technology, the surfaces will revolutionise your decor with the regal magnificence that personifies strength and elegance.

Witness the combination of superior functionality and opulence!

A choir of components that merge in the rhythm of hues and designs, making up the architectural surfaces of the Neolith Collection, a constant reflection of nature and the energy it radiates!

NEOLITH - MARBLE SERIES
80x160cm - 9mm THICKNESS

MARBLE SERIES

Created under the Neolith Collection, this series has been well thought upon with a design philosophy stimulated by nature and further honed by technology. Its aim is to reunite individuals with the essential resource of Earth, efficiently representing the three aspects of nature: aesthetic immensity, earthy texture, and pristine full-body functionality.

Architectural surfaces mark a spectacular setting, powered by textures and the hues of unimaginable beauty in marble!
